CHECKLIST

1.	<p>Gather all your broken and unwanted gold and silver jewellery</p> <ul style="list-style-type: none">• Silver Items: If you are sending silver jewellery we would like to advise that the value of silver is extremely low. However if you have a mixture of gold and silver to send it can still be worthwhile sending as the combination will help increase the final total we can offer you.• Watches: At present we are not interested in buying watches. However if your watches or their cases are hallmarked as solid gold we would be interested in buying them from you. Generally if your watch was purchased recently it may be gold plated but not solid gold. <p>If you are in any doubt, please do not hesitate to contact us.</p>
